Turtle Creek Chamber Orchestra — Summer Music Camp

Registration Form, continued

Important Instrument Information (initials required)

1. You will need to bring an instrument to camp. If you do not own an instrument and currently use a school instrument, ask your teacher if you can use it for camp.
2. If you break strings often, bring extras of the string you break most often. Your local music store can help you with this. Ask your teacher if you are not sure.
